

INTERNATIONAL WORKSHOP ON POLYMER SCIENCE AND POLYMERIC MATERIALS

Centre of Polymer and Carbon Materials, Polish Academy of Sciences

&

Research Centre for Natural Sciences, Hungarian Academy of Sciences

&

Polymer Institute, Slovak Academy of Sciences

It is our pleasure and privilege to invite you to the International Workshop on Polymer Science and Polymeric Materials. The workshop will be held on November 10, 2017 at Centre of Polymer and Carbon Materials in Zabrze. The meeting will be devoted to exchange of experience between the cooperating Institutes and discussion of current research on the characterization, modification and application of biocompatible polymers.

The workshop is free of charge however registration is required. Poster presentations are welcome. Please send registration e-mail containing your name and affiliation to Joanna Rydz (joanna.rydz-pawlak@savba.sk). If you wish to contribute with a poster communication please send also its title.

Abstracts of the accepted posters will be published in electronic version, therefore one page abstract (according to the template) should be send before November 1, 2017.
